

Pinion Pine Fire District

Standard Operating Procedure

Policy Title:	Downed Lines & Service Calls		
Policy Number:	330.10	Created:	2003
Section:	Emergency Response	Revised:	December 2018

Purpose: *To ensure the safe and proper response to an incident involving downed lines and service calls*

Scope: *All Personnel*

Response to a down power lines call shall be (1) one engine only. This is to be an investigation type response only. Personnel will block the roadway with apparatus and wait for the utility company to remove the hazard.

Service calls will be handled by (1) one engine.
