

Pinion Pine Fire

Standard Operating Procedure
2012/13 revision

20 - STANDARD ON DOWN POWERLINES OR SERVICE CALL

PURPOSE: To ensure the safe and proper response to an incident involving downed lines and service calls

SCOPE: All Personnel

Response to a down power lines call shall be (1) one engine only. This is to be an investigation type response only. Personnel will block the roadway with apparatus and wait for the utility company to remove the hazard.

Service calls will be handled by (1) one engine.
